What You must pay when You make a claim (Deductible)

This is the amount shown in the Coverage Summary under 'Deductible' for which We will have no liability in respect of each and every type of loss shown in the Coverage Summary.

Such amounts will not be cumulative in respect of any claim or series of claims arising from one Occurrence or event. If more than one Deductible applies for any claim arising from one original source or cause, such amounts will not be aggregated within each Policy Section, and the highest single level of Deductible only will apply. Only one Deductible will apply for Section A and one Deductible will apply for Section B.

For claims under Section A, the amount We pay will be reduced by the amount of the Deductible. For claims under Section B, You will be required to pay to Us the amount of such Deductible prior to Us making any payments to any other parties.

Contribution and other insurance

When making a claim, You must notify Us of any other insurance that You are aware will or may, whether in whole or in part, cover any loss insured under Your Policy.

If at the time of any loss, Damage or liability there's any other insurance (whether issued to You or any other person) which covers the same loss, Damage or liability You must provide Us with any reasonable assistance We require to make a claim for contribution from any other insurer(s).

Preventing our right of recovery

If You have agreed with or told someone who caused You loss, Damage or liability covered by Your Policy that You will not hold them responsible then, to the extent We have been prejudiced by this act, We will not cover You for that loss, Damage or liability.

Subrogation and recovery action & uninsured loss

We may, at Our expense and in Your name, use all legal means available to You of securing reimbursement for loss or damage arising under Your Policy. In the event We do so, You agree to give all reasonable assistance for that purpose.

If You've suffered loss that wasn't covered by Your Policy as a result of the incident, We may offer to attempt to recover this. You may also specifically ask Us to recover this for You. You'll need to give Us documents supporting Your loss. Before We include any uninsured loss in the recovery action We'll also ask You to agree to the basis on which We'll handle Your recovery action. You may need to contribute to legal costs in some circumstances. We will agree this with You before incurring these costs.

Waiver of Subrogation Rights

We agree to waive Our rights of subrogation under this Policy where contractually required against You, Your, Insured by any of the parties defined as You, Your, Insured.

Repair authority limit

Once You have told Us about any claim or potential claim You may proceed immediately with repairs up to the amount of \$2,000 in respect of any damage insured under this Policy. Such action will not prejudice Your right to indemnity under this Policy.

These Other Terms apply to how Your Policy operates.
