About buying insurance online

Who Can Buy Insurance Online?

Only Australian residents are able to buy insurance online through us.

How can I apply?

You can apply for an online quote by completing and submitting the information requested on our quote pages (Quote Application). Provided that you satisfy the requirements contained in the relevant underwriting guidelines, we will then give you a quote (Quote).

If you decide you want to purchase an insurance policy online based on that Quote, and we offer you that option, you should provide us with the information requested and submit a request to purchase (Insurance Application). Your Insurance Application is complete when both of the following conditions are satisfied:

- our server has received the electronic instruction offering to purchase insurance from us, and
- your Insurance Application is recorded within our database and is accepted by the Insurer.

We will let you know when your Insurance Application has been accepted by providing you with a confirmation email containing a transaction reference number. If you don't receive a confirmation email from us then your Insurance Application has not been accepted.

Please note that we will assume that an electronic instruction is authentic. We have no obligation to authenticate the person issuing or transmitting the electronic instructions or to verify the accuracy or completeness of the electronic instructions. We may act on the electronic instructions sent or received through our website without any reference to you.

Any application for insurance made using this site is subject to disclosure obligations, an approval process and relevant policy terms and conditions.

How can I pay?

Any insurance policy purchased via this website must be paid for by one of the credit cards we accept. You will need to provide us with the following details:

- Type of credit card
- Card number
- Name of credit card holder
- Expiry date

For your protection, your confidential credit information is encrypted using a secure server. The amount or amounts due must be paid in full by clear funds by the due date. Details of your payment plan will be provided with your policy documents.
